TRANSIT CENTER GRADE SEPARATION AND ACCESS PROJECT
PUBLIC ART
Council Transportation Committee

NOVEMBER 28, 2023
Joy Houghton, Senior Civil Engineer

PROJECT ELEMENTS

- 1** Construction of a new vehicle ramp from W Evelyn Avenue to Shoreline Boulevard to provide an alternate route for vehicles
- 2** Construction of shared use path underneath new W Evelyn Avenue ramp and Shoreline Boulevard
- 3** Construction of undercrossing and vertical circulation for pedestrians and cyclists to facilitate passage between the north side of Central Expressway and the Moffett Boulevard community to both the Transit Center and Downtown Mountain View; closure of at-grade Castro Street rail crossing to vehicles
- 4** Designation of new areas for pick-up/drop-off along Moffett Boulevard

CITY COUNCIL POLICY

SUBJECT: PUBLIC ART AND CIP PROJECTS

NO.: K-5

POLICY:

Capital Improvement Program (CIP) projects for new parks, new buildings, major renovations of buildings, new bridges, new or renovated public plazas, new trails or trail extensions, new bicycle/pedestrian over- or undercrossings, or other capital projects as directed by the City Council with construction hard costs of \$1.0 million or greater shall allocate two percent (2%) of the construction budget, not to exceed \$400,000 (Cost Limit), for the selection, purchase, and installation of significant appropriate piece(s) of artwork. The Cost Limit shall be adjusted every five (5) years based on the Construction Cost Index beginning January 1, 2027. All artwork selected and purchased shall be incorporated as an integral part of the project design. This artwork may consist of works integrated into the project, acquisitions, art commissioned, or other appropriate installations. The Visual Arts Committee is responsible for advising the City Council on the selection of art and artists for qualifying CIP projects.
