# Grade Separation Projects Castro Street and Rengstorff Avenue

Council Transportation Committee

June 4, 2024

# GRADE SEPARATION BACKGROUND

**June 2023**

Castro - 65% Design  
Submitted

**September 2023**

Castro -65% Cost  
Estimate Submitted

**November 2023**

Council  
Transportation  
Committee

**January 2024**

City Council  
Prioritization

## PRIORITIZE RENGSTORFF

Interim solution for Castro Street.

Rengstorff – more challenging for pedestrians and bicyclists.

Upcoming Federal Grant – reduce Rengstorff shortfall to make it more competitive.

## RENGSTORFF AVENUE

- Complete Final Design
- Complete right of way acquisition
- Consider value engineering options
- Construct grade separation

## CASTRO STREET

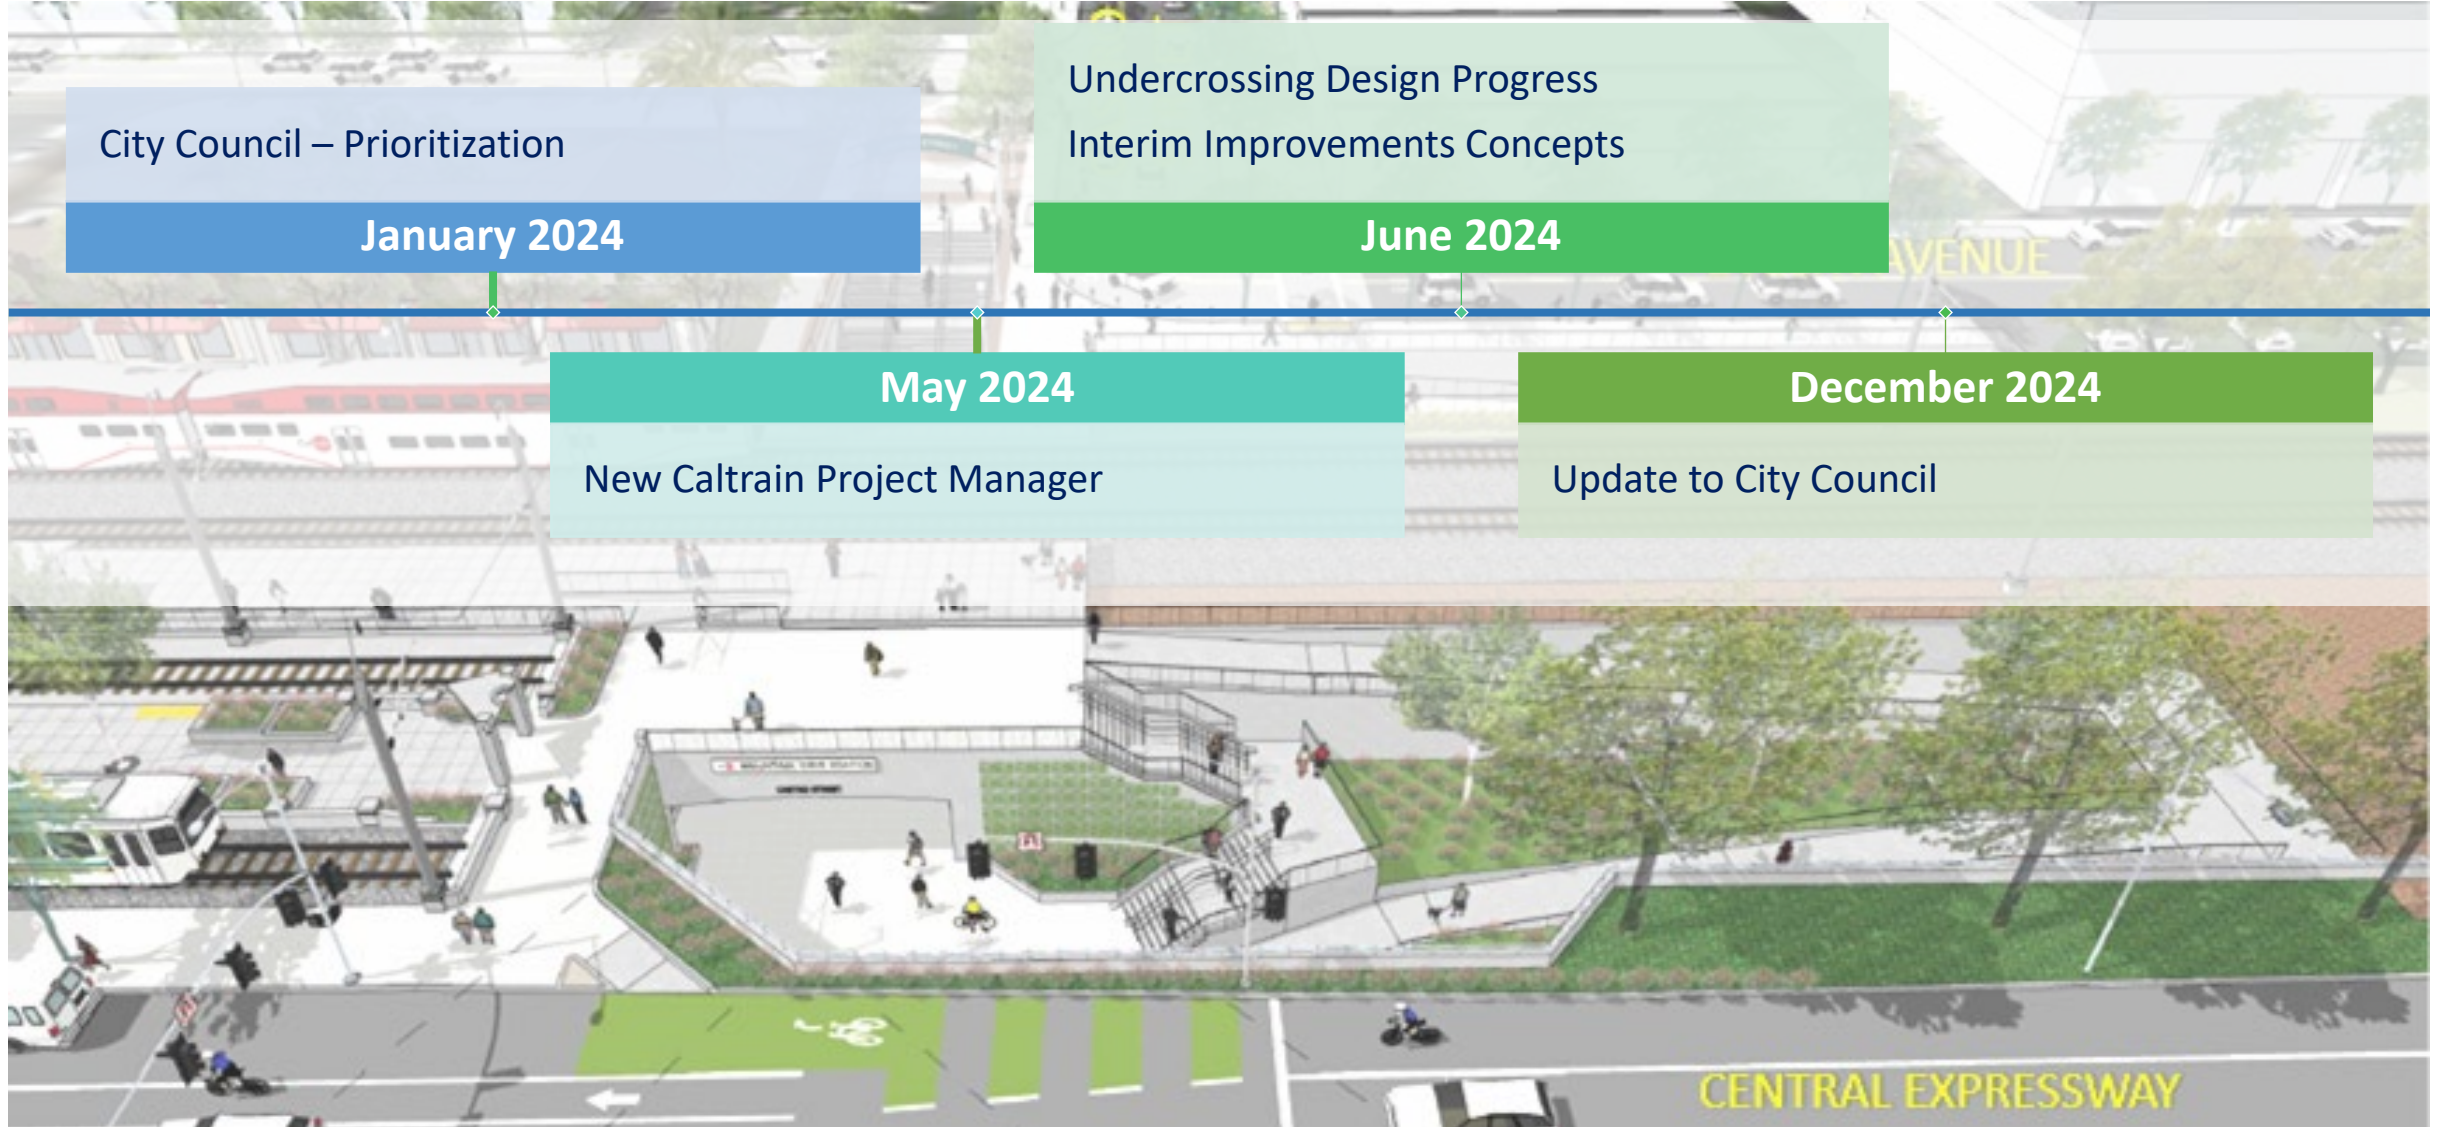

- Complete Final Design (Undercrossings)
- Construct City Utility Relocation
- Obtain NEPA Clearance
- Implement Interim Improvements
- Construct undercrossings when funding available

# CASTRO INTERIM IMPROVEMENTS

# CASTRO STREET- UPDATES & NEXT STEPS

# RENGSTORFF AVENUE – UPDATES & NEXT STEPS

- Elimination of the Transit Intercity Rail Capital Infrastructure (TIRCP)
- \$350M Statewide program
- \$20M awarded for Rengstorff

## Revision

## Actions

- Support from Senator Becker and Assemblyman Berman
- Coordination with Caltrain, VTA, Burlingame, and Palo Alto
- Requesting delay in disbursement rather than elimination of funds
