The El Monte Avenue Corridor Study proposes to identify and incorporate improvements along the El Monte Avenue corridor (from Springer Road to El Camino Real) and along El Camino Real (from El Monte Avenue to Escuela Avenue) to improve the overall safety for all modes of travel within the study area.

Please join us to learn more about the Study. City staff and consultant team members will be presenting the road diet analysis as requested by the Bicycle and Pedestrian Advisory Committee (B/PAC) and will be available to gather feedback on proposed conceptual corridor improvements, provide information, and respond to any questions or concerns you may have. For questions in advance of the meeting, please call Public Works 650-903-6311 or email us at [public.works@mountainview.gov](mailto:public.works@mountainview.gov).
