MESSAGE FROM THE CHIEF

It is my pleasure to present the Mountain View Police Department's annual report for calendar year 2017. The men and women of the City of Mountain View's police department are united by their commitment to keep Mountain View safe, tackle crime, and secure the trust and support of the people they serve and protect. Some of the challenges and accomplishments the Department and community have faced in 2017 include:

- An increase in the number of reported crime that corresponds to crime trends experienced throughout the Bay Area.
 - Responding to community concerns about Federal immigration law enforcement and maintaining a commitment to the longstanding policy of not enforcing civil immigration laws.
-
- Enhancing traffic safety through an Office of Traffic Safety Grant.
 - Providing services to an increasing number of people with behavioral health issues and continuing to train personnel in crisis intervention skills in collaboration with Santa Clara County Behavioral Health Services.
 - Recruiting and hiring highly qualified candidates to join the Department's diverse group of professionals.
 - Integrating the Fire Department for quicker response to active threat incidents.
 - Collaborating with community-based organizations to provide outreach and seek compliance to address crime and quality of life issues with an increased number of people in the city who are homeless or who live in vehicles.
 - Assisting with one of the largest fire disasters in the Bay Area through an unprecedented mutual aid response.
 - Expanding community engagement programming.

The subsequent sections of this report overviews the results of the dedicated women and men of this department and provides a snapshot of statistics on crime, traffic safety, community engagement and other activities. I hope you find this report informative and garner a glimpse into the services the members of the Mountain View Police Department provide day in and day out to the Mountain View community.

AT-A-GLANCE

Mission Keeping Mountain View safe and tackling crime through quality policing that secures the trust and support of the people we serve and protect.

CRIME

Mountain View remains an overall safe community, but the city is not immune from crime trends that are being experienced throughout the Bay Area. The number of reported incidents of violent crime (criminal homicide, forcible rape, aggravated assault and robbery) increased 40%. Mountain View experienced its first

homicide since 2014, which was an isolated incident and resulted in the arrest of the suspect. An increase in the number of robberies, predominantly strong arm, and aggravated assaults were the primary drivers of the increase.

The most significant problem remains property crimes, in particular theft from vehicles, which some have called a regional epidemic. The number of property crimes (burglary, larceny, motor vehicle theft, and arson) increased 10.9%. Suspects who quickly target unattended valuables make it difficult to suppress these crimes, but there has been some success with arresting offenders, to include the prosecution of sophisticated gang members. Preventing these crimes has also been a priority for our community engagement strategy.

Crime affects victims and the community. The department is vigilant of these increases and has implemented efforts to prevent a trend from continuing.

DEFINITIONS

Population	Based on data from the State of California Department of Finance Demographic Research Unit. (http://www.dof.ca.gov/research/demographic/). The population basis is recorded on the Monthly Recap page.
Clearance Rate	A clearance rate is the percentage of crimes reported that have been cleared. A clearance rate is calculated by dividing the number of crimes cleared by the number of crimes reported; the result is multiplied by 100. For example, if there were 35 robberies cleared and 78 robberies reported. This equals a homicide clearance rate of 44.9 percent.
Arrest Rate	An arrest rate describes the number of arrests made by law enforcement agencies per 1,000 total population. An arrest rate is calculated by dividing the number of reported arrests by the respective population; the result is multiplied by 1,000. For example, if there were 2,500 total felony arrests and the total population was 73,000, the arrest rate is 34.25. The state factors the rate based on 100,000 population. To compare the MVPD rate to the state, multiply the MVPD rate by 100. Note that this is an inflated rate from the actual rate per population. MVPD does not calculate the arrest rate for the population at-risk (ages 10-69).

TRAFFIC

Traffic remained a top community concern through 2017 and the Police Department continued to be proactive in its efforts to promote traffic safety and education. Injury collision reports and property damage only reports were slightly higher than in 2016 and citizen reports (counter reports) remained consistent. There was an increase in the number of names exchanged and private property collisions and there were a total of three fatal collisions in 2017. The Police Department was awarded an Office of Traffic Safety grant which further increased our education and enforcement activities. We also continue to work closely with the Traffic Engineering Department to ensure up-to-date information is shared and traffic safety measures are utilized in the most effective manner. This combined with traffic diversion programs for both juvenile and adult offenders, robust social media outreach, and directed patrols with neighboring agencies highlights the department's efforts to promote individual responsibility by motorists, bicyclists and pedestrians in order to reduce traffic related collisions.

2017: The response time to emergency and priority 1 calls was 4 minutes or less 54.4% of the time (836 of 1,536 events)

NEIGHBORHOOD AND EVENT SERVICES

Similar to other cities throughout our region, Mountain View has experienced growth in our homeless population and people living in vehicles. In response to this growth, a new Community Outreach Officer (COO) was approved by the City Council. The COO is tasked with contacting and assisting our homeless population and people living in vehicles by connecting them with services. In the COO's first six months, over 100 individuals were referred directly to the Community Services Agency. Several large encampments were located throughout the city and the occupants of the camps were provided direct access to services. In some of the encampments, officers also located narcotics, narcotics paraphernalia, stolen property, garbage and human waste. Arrests were made as appropriate. Numerous contacts were also made with people living in vehicles. Many of these contacts resulted in referrals to services; some resulted in narcotics related arrests, warrant violations and the recovery of guns. Throughout the latter part of 2017, the COO worked directly with the Palo Alto Review/Recovery Court (PAR Court) to ensure those who were arrested and met the PAR Court requirements were provided a voice and access to recovery services.

Officer Michael Taber

CONTACT DEMOGRAPHICS

Race/Ethnicity - U.S. Census	2010 Census	2017					
		Victims	Witnesses	Suspects	Arrests	Citations	All Contacts
White	56.0%	46.15%	36.95%	34.64%	36.80%	32.92%	38.06%

Native Hawaiian, Pacific Islander	0.5%	0.63%	1.07%	0.78%	1.26%	0.34%	0.66%
Other not reported on Census	N/A	2.00%	1.34%	1.44%	1.93%	8.73%	4.44%
TOTAL	74,066	2,845	747	765	1,348	3,484	9,189

The analyzed data aggregates Police Department race/ethnicity reporting categories into US Census categories. Race or ethnicity is reported for involved parties listed on incident reports and citations. Contacts where race was unknown or left blank (such as in some cases reported by the public on the Internet), were not included in the totals. Victim contacts do not include businesses. The race or ethnicity for suspects can be for named individuals or for unknown suspects described by victims or witnesses. Arrests include persons arrested on criminal charges, warrants, and probation/parole holds. The "All Contacts" category includes parties classified as "Other," which is not reported separately in the table.

K9

As the department with one of the longest serving K9 units in the county, our dogs work closely with our patrol officers every day to keep our community safe.

Our K9 teams assisted in dozens of incidents and cases in 2017. In one instance, one of our K9s found a man who had wandered away from a traffic collision caused by a medical condition. The K9 was able to track the man, locate him and ultimately save his life. In another instance, one of our K9s was able to track a suspect in an interrupted residential burglary in a neighboring city. Our K9 quickly found the man hiding under a bench. Our K9s also assisted in several narcotics detections, suspect searches, and attended to several school visits and community events from Coffee with a Cop to National Night Out.

Our K9 team continues to train weekly and also work special events and assist with outside agencies when requested.

Zeus is a 7-year-old male Black Labrador Retriever. Zeus is our narcotics canine and his handler is Sergeant Wahed Magee. They have been partners since 2012.

Odin is a 6-year-old male German Shepard. Odin's handler is Officer Dorene Hansen and they have been partners since 2013.

Thor is a 4-year-old male German Shepard. Thor's handler is Officer Curtis Lau and they have been partners since 2015.

HIGHLIGHTS

- Deployments: 361
- Article/evidence finds: 15
- Located suspects: 7
- Narcotics searches: 28
- Narcotics finds: 12
- Outside agency assists: 22
- Community events: 12
- In-house training: 28 hrs.
- Other training: 168 hrs.
- New K9 coming mid 2018!

PATROL AT SPECIAL EVENTS

Patrol for 44 concerts at Shoreline Amphitheater.

Patrol for 75 more special events including:

- A la Carte & Art Festival
- Thursday Night Live
- Art and Wine Festival
- High School dances and sporting events
- Irish Festival
- German Festival
- Prisoner transports
- Protests and marches

MOUNTAIN VIEW
ART & WINE FESTIVAL

COMMUNITY ENGAGEMENT

The Mountain View Police Department values its strong community-wide support and our men and women who serve and protect could not be as successful in fulfilling the Department's mission without this essential collaboration. In 2017, the Department expanded its community engagement programs, to include the following activities.

- Partnering with the Mountain View Public Safety Foundation to train officers in presenting the hands-on Rape Aggression Defense (RAD) training program.
- Creating a Speakers Series that provides crime prevention tips and information about the department to members of the public attending the event or following online.

- Participating in the City's Spanish Leadership Academy, which provides information about city services to Spanish-speaking members of the community.

- Providing shred events that allow the public to drop off and shred sensitive documents and financial records that are intended to be discarded.

These events and activities enhance the many other outreach efforts, such as Coffee with a Cop and National Night Out, which are highlighted on the following pages.

➔ **9 TOURS of MVPD**

Attended by a total of 90 children under 18 years old and 135 adults

➔ **17 PRESENTATIONS/ COMMUNITY MEETINGS**

Safety and crime related business and residential presentations

- Senior: 2 (35 people)
- Crime prevention/ neighborhood: 7 (75 people)
- Downtown business association: 2 (18 people)
- Community "Conversation" (invite for Chief): 1

➔ **39 COMMUNITY EVENTS**

Handled by Patrol, YSU and NES (Youth Services Unit and Neighborhood & Event Services)

- Ice cream socials: 9 (officers invited and attended 8)
- School visits: 5 (110 kids)
- National Night Out
- CSA celebration
- Coffee with a Cop: 7
- Bike to School Days: 7
- Bike to Work - Google
- MVFD Fun Run
- MVFD Pancake Breakfast
- Halloween bag distribution (320 bags)
- Job Shadow Day: 1 (6 students)
- Leadership Mountain View: (20 adults)
- RAD classes: 5 (42 attendees)
- Shred/Drug Take Back: 2
- Drug Take Back: 1

➔ **8 DOWNTOWN EVENTS**

- Thursday Night Live: 4 days
- Art and Wine: 2 days
- A la Carte & Art: 2 days

➔ **1 SPEAKER SERIES**

459 presentation by Detective Andrew Wong

- Attendees: 37
- Social media response:
154 reactions, 121 comments, 4,300 views,
18 shares, 166 minutes viewed

21st annual Cops & Gobblers Thanksgiving food drive benefiting needy families in our community

15th annual Cops that Care program

Helping underprivileged and low-income families have a happy holiday

MOUNTAIN VIEW

POLICE ACTIVITIES LEAGUE

Mountain View PAL was formed to help bring youth under the supervision and constructive influence of responsible adult role models- including police officers- through a variety of sports, educational and recreational activities to serve as an effective and powerful antidote to juvenile delinquency. Active participation should impact desirable educational, social and personal values;

development of a positive self-image; learning of successful interpersonal skills and other life skills that mitigate against the occurrence of juvenile delinquency. In 2017, we provided more students with PAL programs like PAL Boxing and Net Gain Tennis as well as the PAL Mentoring Program. Student participation in PAL Boxing increased by 10 students and in Net Gain, by 22 students. Overall, a successful year!

Net Gain Tennis: 30 students

PAL Boxing: 30 students

PAL Mentoring Program: 20 students
