Purpose of the Neighborhood Grant Program

The City of Mountain View is committed to the preservation and renewal of neighborhoods. The City believes that the power to maintain and improve neighborhoods lies in strengthening the civic participation of Mountain View residents in their community. The Neighborhood Grant Program provides financial support to help resident-based groups carry out programs and activities designed to improve participation and neighborhood conditions.

Grant funding must be used by June 30, 2020.

Eligibility Requirements

To be eligible for the Neighborhood Grant Program, three criteria must be met:

1. Applicants must be representatives of an existing neighborhood association within the City of Mountain View or a group of individuals who are organizing a neighborhood association. Informal neighborhood groups and mobile home park residents committees may also be eligible if their grant proposal builds community and enhances the neighborhood or mobile home park. Individuals, businesses, fraternal or religious groups, universities and public agencies are not eligible to apply. However, organizations that are eligible for neighborhood grants may form partnerships with these ineligible groups to plan and implement projects.

2. Projects must be neighborhood-based and initiated by residents living in the neighborhood or mobile home park.
3. Projects must be aimed at improving communication and participation or improving physical conditions within a neighborhood or mobile home park.

Selection Criteria

The projects will be evaluated by the City Council Neighborhoods Committee using the following criteria:

- Benefit: How many people are expected to benefit from the project?
- Involvement: How many people are involved in the project?
- Diversity: Do members reflect the demographic characteristics of the neighborhood or mobile home park?
- Program Design: Is the project well planned and conceptualized?

Project Team

The applicant is required to form a project team consisting of at least four members of the neighborhood or mobile home park who will be responsible for managing the project. The project team will be required to provide a written project summary to document the achievements of the project. The team should also be available to provide an oral presentation of the project accomplishments to the City Council Neighborhoods Committee, if requested.

Maximum Grant Awards

Neighborhood Grants may be awarded up to a limit of \$6.00 per household covered by the neighborhood group, not to exceed \$2,000 for each neighborhood group. All grant funds must be used between July 1, 2019 and June 30, 2020 and there is no carryover of funds that are not used within this timeframe.

Reimbursement of Grant Expenditures

Grant funds are provided to neighborhood groups through the reimbursement of expenses for eligible grant activities. Neighborhood groups should submit receipts and
