CITY OF MOUNTAIN VIEW SENIOR CENTER BEHAVIOR POLICY

MISSION:

The mission of the Senior Center is to provide programs that meet individual needs of seniors age 55 and older; create a sense of ownership in the Center; promote personal growth and socialization; and foster feelings of achievement, companionship, and well-being.

POLICY:

The Senior Center is a drop-in facility, not a day-care facility for seniors. All participants must independently maintain bodily functions and proper hygiene. Participants with advanced confusion/memory impairment must be accompanied by a responsible caretaker at all times. Examples of advanced confusion/memory impairment include, but may not be limited to, when a participant does not know their name, location of home, reason for being at the Senior Center, or how to get home.

Staff is not available to provide one-on-one supervision to seniors who are unable to care for themselves. Should staff observe a situation which, in staff's discretion, makes a participant's need for individual care apparent, staff will notify the participant's family/caretaker and inform them the participant may only attend the Senior Center with a responsible caretaker.

Participants of the Senior Center are encouraged to:

- Sign in upon arriving to the facility at either the front or back entrance;
- Participate in social service, nutritional, educational, and recreational programs;
- Socialize with other participants;
- Obtain information and referrals for needed services; and
- Voice ideas and concerns regarding programs.
