

PUBLIC NOTICE

DISCHARGE OF SEWAGE FROM PARKED VEHICLES

It is illegal to discharge sewage from your parked vehicle whether continuously or intermittently per City Code Section 35.29.

Discharge could be from the:

- sewage system,
- sewage tank,
- holding tank,
- vehicle pipes, or
- other waste receptacle.

Vehicles found in violation shall be subject to removal from the public right-of-way at the owner's expense.
