DEVELOPMENT UPDATE – AUGUST 2024

This bi-monthly update provides information on *notable* development projects and long-range planning efforts lead by the Planning Division. It is organized by long range/policy planning projects, development projects which are under review and have not been approved, development projects which have been approved, and development projects which are under construction. Each project subject to State Housing Laws, such as Senate Bill 35 (Streamlined Ministerial Review) and Senate Bill 330 (Housing Crisis Act), have a note next to the project description.

For inquiries and current status about a specific project (including upcoming public meetings), you can click on the project planner's name to email them directly or click on the project website, if available. Staff reports, plans, and other project-related documents for projects that have been approved or are under construction can be found on the City's website at Legistar. A map is also included at the end of the document which shows the location of each project within the City.

LONG-RANGE/POLICY PROJECTS

1. R3 (Multiple-Family Residential) Zoning Code Update

Update of the R3 (Multiple-Family Residential) zoning district standards to consider incorporating form-based development standards, incentivizing stacked flats and updating the rowhouse guidelines. The project includes public outreach, creation of form-based development standards, a design handbook, public outreach, and Study Sessions with the Environmental Planning Commission and City Council.

- Project Planner: [Eric Anderson](#)
- City Webpage: [R3 Zoning Update](#)

2. Historic Preservation Ordinance and Register Update

The Historic Preservation Ordinance and Register Update includes updating the City zoning standards regarding historic resources and the Mountain View Register of Historic Resources, which identifies all historically significant properties in the City. The update includes the creation of a Historic Context Statement, a citywide survey to identify eligible historic resources and consider nominations for Castro Street buildings on the National Historic Register. The process includes public outreach and Study Sessions with the Environmental Planning Commission and City Council.

- Project Planner: [Elaheh Kerachian](#)
- Webpage: [Historic Preservation and Register Update](#)

LONG-RANGE/POLICY PROJECTS

3. Downtown Precise Plan Comprehensive Update

The update project includes a comprehensive update to the Precise Plan (P19) to align the plan to City's vision for Downtown. The update includes developing objective development standards, evaluating current design standards, land uses, parking, signage regulations, and other strategies. The process includes public outreach and Study Sessions with the Environmental Planning Commission and City Council.

- Project Planner: [Diana Pancholi](#)
- Webpage: [Downtown Precise Plan Comprehensive Update](#)

4. Moffett Boulevard Precise Plan

The project includes preparation of a new precise plan for the Moffett Boulevard project area, an area of approximately 20 acres, located along both sides of Moffett Boulevard north of the Downtown area and Central Expressway to the intersection of W. Middlefield Road. The project will establish development standards for the project area, including land use mix, density and intensities, objective development standards, streetscape and design standards, signage regulations, parking and transportation demand management regulations, and public art and placemaking requirements. The process includes public outreach and Study Sessions with the Environmental Planning Commission and City Council.
