

# What's Going On Here?

## Caltrans El Camino Real Repaving Underway

Caltrans Project will bring pedestrian and bike improvements to Mountain View, Los Altos, and Palo Alto

- On-street parking will be converted to a bike lane
- New lane striping will include bike lanes, many with:
  - A painted buffer
  - Vertical delineator (flex post)
  - Merge zones with green painted squares
- Corner bulbouts with new curb ramps
- High visibility crosswalks at all signalized intersections
- Pedestrian Hybrid Beacon (PHB) crossings at
  - Pettis Avenue
  - Bonita Avenue
  - Crestview Drive
