SURVEY—ENCUESTA—民意调查—Опрос California Street Complete Streets Pilot Program

Tell us what you think about California Street the way it is now.

Later this year, the City will build safety improvements on California Street from Showers Drive to Shoreline Boulevard. Improvements will include a road diet (from two lanes to one lane in each direction), a center left turn lane, parking-protected bikeway, protected intersections, temporary bulb-outs, and high-visibility midblock crossings with enhanced lighting.
